

Rules for the provision of funds in the third stage

february 2018

These Rules are a public offer and are binding on all participants. The rules only apply to Third Step investor accounts and trading exclusively with Company money and do not apply to any other accounts. There are no such restrictions on live accounts.

The general rules of the investment program are specified in a separate file.

Investor account registration: <https://invest.forexstart.org/registration>

1. General rules

1.1 The trader has the right to receive an investor account in the amount of \$ 2,000.

1.2 The leverage on the investor account is 1: 5 and can be changed by either side only downward.

1.3 Passing to the third step of the investment program, the trader fully agrees with these Rules

1.4 The trader is obliged to independently request a transfer to the next round on the page <https://www.forexstart.org/invest/next-round>

1.5 Trading with advisors is prohibited

1.6 All restrictions imposed by client agreements on real accounts are also imposed on investor accounts (including Clause 8 cancellation and change of positions)

2. Account verification

All conditions are specified in the General Rules.

3 Requirements for transactions

The company has the right, but not the obligation to apply the following points:

3.1 The trader must make at least 10 transactions on the account.

3.2 Each of the transactions should account for no more than 1/5 of the net profit. Those. when making a profit of 1000\$ (deposit growth from 2000 \$ up to 3000\$), none of the trades should have earned you more than 200\$ (1000 \$ /five = 200\$)...

3.3 Transactions in the same currency pair, the time between the openings of which is less than 10 minutes, are considered one transaction

3.4 *M*The maximum allowed number of simultaneously open positions - including pending orders - is thirty.

3.5 Transactions are opened according to the principle Market Execution and, unlike real accounts with guaranteed execution, we can execute transactions on investment accounts on real beingscurrent price (better or worse than the request price).

4. Working hours on the account

4.1 The minimum allowed time on an account is four months. Only after this period has

expired, the trader can proceed to the next stage.

4.2 The maximum working time on an account is two years. If during this time the trader does not proceed to the next stage, transactions can be forcibly closed. Transactions on the account must satisfy section two, otherwise, the account is closed without paying any profit. If the transactions satisfy section three, the profit in the form of credit will be paid, otherwise the profit will not be paid.

If a trader has made a profit, he has the right to immediately open a new account at the first stage on a general basis. If a trader has a loss (even in the amount of one cent), then he can open a new account only according to the rules of the second chance.

4.3 If a trader has not made a single transaction on the account within two months, the Company has the right to close score. If there is a profit on it, it will be considered that the account has never been opened. If the account is unprofitable, the trader can open a new account only according to the rules of the Second Chance.

3.4 The account will be closed if the current funds (not the balance, but the funds) on the account become less than 1900\$. The account can be forcibly closed only at the moment when the funds on it are less than the specified level.

5. Payment of profit

5.1 Trader who has earned more than five0% of the initial deposit (1000 \$), whose transactions satisfy clauses 2 and 3 of this agreement, gets the right to proceed to the fourth stage of the qualifying system and receive funds to a real account in the form of a loan.

5.2 The trader is paid 10% of his total earnings.

5.3 To credit funds, a trader must enter the required data on the page <https://www.forexstart.org/invest/next-round>

5.4 Credit funds are credited only to the real account of the trader, whose full name, e-mail and phone number match the full name, e-mail and phone number of the investor account.

5.5 The money earned at this stage is paid in the form of loans to a real account (they take part in the drawdown), the profit from which is withdrawn without restrictions. Attention: credits are visible only in the Mobius Trader 7 terminal. You can withdraw profits only to the system with which the funds were deposited, with which the trader verified the real account.

6. Account blocking

The blocking conditions are specified in the General Rules.

7. Early withdrawal of funds.

Early withdrawal of funds is not possible

8. Second chance

Second chance conditions are discussed in the General Rules.

We are waiting for your comments.
